

Scenes worth “showing”

Think: scenes that are a microcosm of the movie, or showcase the essence of it

Literary

Think: plot/pacing, symbols, genre/pattern/franchise, compare to other films

Cinematic (filmmaking)

Think: light, sound, camera angles, costumes, sets/props, music/sound, etc.

Quality of Performances

Which actors/roles are especially well done, comedic, or likely to endure?

Purpose

Satire or Parody?
